Hinman to Check 2000 Names As Others Are Secured

The first batch of charter amendment petitions which have been circulated in this county were turned over to County Clerk E. B. Hinman Tuesday for checking.

More than 2000 signatures were on the 50 petitions, while nearly a hundred more petitions are still being circulated, according to Wayne Millington, attorney for the group seeking to abolish the office of county executive, substituting one of administrative officer for it, and return appointive officials to an elective status.

As soon as the first petitions are checked for authenticity of names, more will be given Hinman, Millington said, adding that there is now no doubt but that more than the 3600 names necessary to secure a special election to vote on the propositions have been secured.

New petitions which would repeal the charter will be in circulation in the next few days, according to announcement of Asa M. Hull, one of the sponsors of the movement.

Military Rites Planned For Samuel Tipton, Local Resident

Following a 3 years' illness, Capt. Samuel J. Tipton, 63, U. S. Army retired, passed away last evening at the Letterman General Hospital at the Presidio of San Francisco.

He has been in the hospital for the past 11 days.

The family home is at 277 Oakwood boulevard, east Redwood City. A native of Tennessee, he had resided here for the past 14 years.

Tipton served in the army for 31 years prior to his retirement 16 years ago. During the World War he was captain of Company H, 366 Infantry, 92nd Division in France.

He is survived by his wife, Mrs. Addie K. Tipton of this city; a sister, Mrs. J. G. Mackenzie of Port Murray, New Jersey, and a brother, Richard Tipton of Seattle, Wash.

Services will be held Thursday afternoon at 1 o'clock at the Layng & Tinney Funeral Home, with military rites following at 3 o'clock at the National Cemetery at the Presidio of San Francisco.

CHOOSES JAIL TERM

Choosing to spend 30 days in the county jail rather than pay $100 on a charge of speeding approximately 80 miles an hour on El Camino Real in Burlingame, James W. Robinson, 21, of Burlingame, was in the county jail here today.

WITT THREATENS HIRING OF SPECIAL COUNSELLOR IN DISPUTE OVER FUNDS

Ferrell Advises Him That He Will Rule On Legal Matters

Requests for funds for newly-created posts and a car for Coroner William Crosby brought heated clashes before the board of supervisors today between Supervisor Albert Witt and District Attorney Gilbert Ferrell and a threat from Witt that the board would hire special counsel because Ferrell assertedly was "going too far."

Ferrell in a reply advised the board not to attempt to appoint an outside attorney and said that he intends to see that the charter is followed on all matters pertaining to the expenditure of public moneys.

Witt offered an apology to Ferrell, which Ferrell said was not necessary. The district attorney and Witt agreed that they were unnecessarily excited.

Ferrell held up the following requests until he had time to pass upon their necessity and legality:

1. Personal expenses for County Executive Walter Kellogg, $250.
2. Clerk for the purchasing agent, $100 per month.
3. Clerk for Justice of the Peace Wade Clay of Daly City, $100 per month.
4. Rental of an office at $35 per month for Justice Clay in Daly City.
5. Payment of $300 salary to Mrs. Theresa Altieri as case worker at the Community Hospital. Mrs. Altieri replaced Margaret Loftus, but was then found unqualified.
6. Expenditures of $1200 for a car for Coroner Crosby.
7. Payment of $125 to P. R. Thompson for rapid transit committee efforts.

Ferrell ordered each of the resolutions proposing the expenditures held up until he personally had investigated the requests.

Witt objected because he said the matters had been called to the attention of Ferrell's office and resolutions presented by the board had been prepared by his assistants.

CLEARS KELLOGG

William McCarthy, publicity director, with whom Kellogg said he had conferred on all the matters, declared Kellogg's office was not to blame if the resolutions had not secured Ferrell's personal approval as they had been submitted for that purpose.

McCarthy drew the opposition of Supervisor Fred Beer, San Mateo, who said that the board did not recognize him as the county manager, but wished to hear from Kellogg himself. Kellogg earlier had said that all matters were referred by his office to Ferrell for approval.

DISPUTE NEED

Supervisor John Poole, Redwood City, and Beer said they did not see why County Purchasing Agent Stanley Kelly needed a clerk, as former Purchaser Ernest Werder got along without one.

Kelly said in reply that Werder had done clerical work himself, and that he (Kelly) did not intend to spend his time in the office when he believed he could save more money by conferring with department heads over purchases.

Witt held that this was a matter for Kellogg and he referred to the fact that the manager was drawing $6000 per year to run the county.

CAR NEED QUESTIONED

Ferrell questioned the need of Coroner Crosby securing a county car, saying he would like to have one himself but that the line had to be drawn somewhere. He also raised a question over the need of $250 for Manager Kellogg to go to Sacramento to confer with other managers, saying he would like to entertain, to, if he could find the funds.

The district attorney said he sympathized with Justice Clay's problem in the north-end of the county but said the charter permitted only certain expenditures. He also raised serious doubt over the legality of the claim of Mrs. Altieri as a case worker.

Ferrell also held up a resolution transferring $1500 to the North Fair Oaks and two other sewer maintenance districts, saying this sum would place them beyond the 5% limitation of the Riley-Stewart bill.

UP TO FERRELL

The disputed resolutions, affecting $4,315 of public funds, were referred to Ferrell for an opinion next Monday.

Expenditures approved today were $228 for school supplies for County Superintendent of Schools Pansy Abbott; $100 for rental of an office for the school board, and $600 for hiring a laboratory technician at the Community Hospital.

Request for the transfer of $20,000 for the emergency relief fund to the road department was withdrawn, as was also a request for $350 to outfit a boat for the Sea Scouts.

Class in Italian May Be Started At Local School

The study of Italian will be introduced as a new course in the language department of the Sequoia high school next year if sufficient interest is shown and the teaching can be arranged, A. C. Argo, principal, stated today.

The object of the course will be to gain an understanding of the Italian people, their ways of living, and their literature and arts; to gain ability to read Italian reasonably well; to gain some facility in writing and speaking; to prepare for advanced study and to improve English composition.

The course would include development of an active vocabulary in school and family; oral and written drills in the correct use of spoken and written Italian; reading simple Italian stories and anecdotes, and the use of maps, posters, and materials gathered in Italy to arrange club programs representative of the culture of the Italian people.

HONEY APPLE PIE DELIGHTS GUESTS

Crisp, cold days . . . or stormy, wet ones, make hospitality doubly precious. The hostess who has a new one "up her sleeve" for every occasion has solved her entertainment problem . . . and the hostess who has the secret of cracker-cookery, enjoys her guests. Try these short-cuts to good things to eat:

HONEY APPLE PIE

25 Snow Flake Sodas.
1-3 cup buter.
1 tablespoon sugar.
4 apples, clised thin.
¼ teaspoon cinnamon.
3 tablespoons honey.

Crumble the Snow Flake crackers very fine and mix with softened butter and sugar. Press this mixture in a thin layer, firmly against the bottom and sides of a buttered pie plate. Fill with thinly sliced apples. Sprinkle with cinnamon and spread with honey. Bake in a hot oven (450°F) 25 minutes. Six portions.

Four Sue for Hurts In Automobile Crash

Four plaintiffs injured in an accident December 9, 1933, on the Bayshore highway at Burlingame today filed suit against Frederick D. Metzger, father of Frederick C. Metzger, a minor, for more than $20,000 damages.

Russell A. Moyse asks $10,076; Kathryn W. Sebastian seeks $10,161, and Joseph and Belle R. Moyse ask $649.77.

The plaintiffs were all riding in the car driven by Russel Moyse, which collided with the machine operated by the younger Metzger, they claim in the petition, which was filed by Attorney Frank Lee Crist.

ASK COMPROMISE IN GIRLS' CLAIMS

Local Child's Father Decides to Settle For $1100

Petitions to compromise claims of two minors involved in recent automobile accidents were filed in superior court here Tuesday.

On behalf of his 5-year-old daughter, Gloria, J. L. Kennedy of Redwood City asks the court to compromise a claim against A. B. Stryker for $1,100. The child was injured November 5, 1934, when she was struck by Stryker's machine, according to the petition.

In the other petition, E. F. Gohl asks that his claim against T. J. Hallinan and the California Pacific Title & Trust Company resulting from an accident in which Gohl's 14-year-old daughter, Eleanor, received injuries last December 25, be compromised for $1064.50. The accident happened in Hillsborough, according to the petition.

Harry Thompson Trial Set for March 22nd

Trial of Harry H. Thompson, charged with stealing tools from the San Mateo high school, was set for March 22 when he appeared before Superior Judge Cotton Monday afternoon.

Three other criminal cases were continued when they were called in court at the same time.

Arraignment of Charles Shinn, on a charge of burglary; time to plead for Helen Beck on a narcotics charge, and time to plead for Mike Muscatello on a statutory charge were all continued for a week.

Notes Indicate Jennie Nelson Took Own Life

Bride of Three Weeks Had 'Phoned Office 'Would Be Late'

Apparently suffering from fear of a nervous breakdown and financial worry, Mrs. Jennie Nelson, 32, copyist-recorder in the office of County Recorder T. Clark Rice here, committed suicide at 11 a. m. today by walking into a moving Southern Pacific train at the Tenth avenue crossing in San Mateo, police said this afternoon after conducting an investigation.

A bride of but three weeks, Mrs. Nelson, the former Jennie Thompson whose mother, Mrs. Donald Thompson, lives at 1140 Jefferson avenue, Redwood City, had apparently walked from her home at 219 Ninth avenue in San Mateo to the train writing suicide notes.

Three short letters explaining her action were found on her mangled body.

One of them, to "Dear Momsie," said: "I am sorry to have caused you the trouble. Please use my insurance money to take care of expenses."

Another said: "I am the cause of all the moaning," while the third said "I have caused the family to move to meet expenses of running the house. I am like Irene, suffering breakdown." Whom the "Irene" referred to could not be learned.

Recorder Rice reported this afternoon that Mrs. Nelson had not "been herself" for several days. She had worked in his office more than six years.

The mangled body of the woman was found by L. D. Slavey, 22 Chestnut street, officers said. Mrs. Nelson had been seen walking along the street toward the railroad station about 10:30, apparently writing the notes, by Mrs. Hazel H. Leo, 1003 B street, officers learned.

Surviving Mrs. Nelson besides her mother are her husband, M. J. Nelson, San Francisco accountant, and a sister, Mrs. W. F. Boulware, 1810 Palm drive, San Mateo.

The body is at the William Crosby Funeral Parlors in San Mateo.

SAN MATEO MAN LOSES HOME, DIES

Heart Attack Believed Suffered Causing Auto Crash

A few hours after he had lost his home, Leo Pingle, 72, of San Mateo died Monday afternoon, apparently the victim of a heart attack.

Pingle, retired contractor, had met Coroner William Crosby by chance on the street in the morning and told him about losing his home at 720 Prospect road. He also told the county official that his belongings had been dragged out of a shack on the premises.

In the afternoon as he was driving his automobile, Pingle apparently suffered the attack, and crashed into a car at Second avenue driven by Joyce Morehouse, 288 Second avenue. Pingle was found dead at the wheel.

A new industry, making artificial leather from wool, has sprung up in England.

Chum's Heroism Saves Youth, 18, From Drowning

A week-end camping trip to Emerald Lake nearly ended fatally for one of the two participants yesterday, only the pluckiness of the younger of the boys, 15-year-old James Doman, keeping his companion, Raymond Ventura, 18, from drowning, according to officers.

The two youths, who live at 448 Roosevelt avenue, had camped out all night at the lake. The next morning shortly after 7 o'clock while Ventura was standing on the bank of the lake he slipped on a rock and tumbled in, striking his head as he fell, according to Deputy Sheriff John Simpkin, who investigated the accident.

Doman, Sequoia high school student, immediately jumped into the lake and pulled his chum out, taking him at once to the home of Charles Holt, of the firm of Leonard & Holt.

Mrs. Holt telephoned the sheriff's office, who called the Redwood City Fire Department inhalator squad and Dr. Robert Monteith, who, after working over the lad for nearly an hour, rescuscitated the youth. The inhalator squad, with Al Russell in charge, was composed of Russell, Edwin Holmquist, Gene Plecq and Harry Stevens.

Lynch Brothers Petition for Time To Vacate Station

An injunction to prevent the Texas Company from putting them out of their station at 401 Burlingame avenue, Burlingame, before 60 days, instead of at the expiration of five days from the time a notice was given February 19, was sought in superior court Wednesday by Lynch Brothers.

According to the complaint, Lynch Brothers, a firm composed of R. F., W. D. and J. A. Lynch, took over the station January 15, 1932, and subsequently tripled business there. While their lease does not expire until 1940, the oil firm was given the privilege of cancelling the lease at any time with a five-day notice.

Since taking over the station, Lynch Brothers, county distributors for Goodyear tires, have expended $4,000 in improvements to the station and have $1,500 in accounts receivable, they claim. Alleging that the main reason the Texas Company wants the station back is because the oil firm is now distributing Goodrich tires, Lynch Brothers, who have continued as Goodyear tire agents, ask that they be given 60 days to wind up their business, instead of the five as called for in the lease.

F. E. Hoffmann is attorney for the plaintiffs in the action.

Plan Private Rites For Jennie Nelson

Private funeral services for Mrs. Jennie Nelson, copyist-recorder in the county recorder's office here who apparently took her own life Monday were held at 10 a. m. Wednesday from the Crosby Funeral Home in Burlingame. The Rev. Albert R. Kurtz, pastor of the San Mateo Baptist Church, will officiate. Interment will follow at Cypress Lawn Cemetery.

Coroner William Crosby said today he will hold an inquest next Tuesday into the death of the bride of three weeks.

The mangled body of Mrs. Nelson, daughter of Mrs. Donald Thompson of Redwood City, was found Monday at 11 a. m. by the side of the Southern Pacific tracks in San Mateo. Previous to her marriage in Santa Cruz to M. J. Nelson, San Francisco accountant, Mrs. Nelson lived in Redwood City.

Woman Wrecks Auto After Leaving County

After allegedly speeding across the San Mateo-Santa Clara counties line, Mrs. Lena Musante, 35, of San Jose, wrecked her car and injured herself on the Bayshore highway near Sunnyvale Monday according to State Highway Patrolman Robert Gallimore.

The officer travelled as fast as 95 miles an hour to catch the speeder, he said.

As the car and motorcycle neared the LaFayette street end of Bayshore, Gallimore drew closer. Mrs. Musante, apparently failing to realize she had reached the end of the highway, did not slow sufficiently to make the turn, and slid ito a skidding turn toward Agnew. Her car got out of control, lurched, from the road and landed in a five-foot-deep ditch, badly wrecked.

40 & 8 Initiate At Eight-County Meeting in S. F.

San Mateo County Voiture No. 393 of the Societe des 40 Hommes et 8 Chevaux received six new members at the joint initiation, participated in by eight counties, in San Francisco Saturday.

The new "voyageurs militaires" are Felix La Cross, Dan Miller, W. Lemmond, William Cathey, Frank Gomes and Lee Williams. They were kept busy during the afternoon "chasing butterflies" and participating in a mock supervisors' meeting, according to members.

In the serious part of the initiation, Stuart R. Ward took the part of the unknown soldier, assisted by Fred Crumb, Joseph Faso, and others.

At the banquet given to Grand Chef de Gare Jesse Epstein, San Mateo county was represented by C. H. Whitney and E. C. Signarowitz.

GETS LEGISLATOR

He just can't take it, this assemblyman of ours.

Col. Frederick Peterson of Burlingame admitted as much yesterday.

As a soldier, he wasn't afraid of the enemy's bullets. As a legislator, the hurly burly of that business is just a bowl of cherries. As a building and loan investigator, Peterson enjoys his "holiday" away from Sacramento.

But it remained for a tiny mosquito to take the man "down."

As Colonel Peterson was sitting on his front porch in Burlingame Sunday, according to the story revealed today, a mosquito alighted on the lawmaker's bald head. Attempting to land a haymaker on the offending insect, Peterson fell from his rocker, painfully injuring his back.

So now it's a deeply cushioned seat at the state building in San Francisco which the assemblyman is occupying as he presides over the building and loan investigation being conducted there.

Tommasini Blamed For Accident Death

Four inquests, in one of which the driver of a machine was blamed for the death of his companion, were conducted in Burlingame by Coroner William Crosby on Tuesday.

Hector Tommasini was blamed by the coroner's jury for the death of Harry Smith, who died from injuries received February 7 in an accident on the Bayshore highway. "Death was caused by negligence and reckless driving" of Tommasini, the jury said.

In the other three investigations, deaths were held to be from natural causes or accidental. They were Edward Mullen, 50, itinerent, who died in Community Hospital February 17 from heart trouble; Bernard Mock, Belmont rancher who died from a combination of lockjaw and pneumonia, and Ernest Moeckel, who died after a fall from a water tower at San Carlos.

Good Eyes need Good Light
Impaired Sight demands it

GOOD EYES are a very precious possession. Of all the senses—seeing is the very last thing anyone would wish to damage.

Once damaged, eyes can never be repaired or replaced. We can only help them by wearing glasses prescribed by an eye specialist. But even then, the best of glasses cannot completely restore the full healthy vision of eyes damaged by abuse.

Most good eyesight becomes poor eyesight because good eyes are abused by straining to see in bad light.

It is so easy today to have good lighting. Electricity is plentiful and low in cost. And modern lamps are scientifically designed to give proper diffusion of light without harmful glare.

Below is pictured a lamp of scientifically correct design. Note its modern features. Compare it with the lamps you are using in your home. You should have at least one of these lamps in your living room and on the children's study table.
